## SKILLS

### Web Development

- HTML / CSS
- Firebase Hosting
- Cloudflare

### Low Level Programming / Embedded

### Technologies

- Holy C / C
- Objective C

### Game Development

- C# with Unity
- 2D Asset Creation

### Robotics / Electronics

- ATMEGA chipsets
- Raspberry Pi
- ESP microprocessors

### CAD / CAM

- Fusion 360
- G-CODE generation
- 3D printing and CNC
- Fluid Simulations

### Database Management

- MySQL

### Computer Vision

- Python
- OpenCV

### Soft Skills and Interests

- Leadership and Mentorship
- Saxophone & Sitar
- Golf

## EXPERIENCE

### PARIKSHA PE CHARCHA

JANUARY 2024

PRESENTER AND DEVELOPER

One of 11 students selected from CBSE schools nationwide to showcase my project to **Prime Minister Narendra Modi**.

The technologies used include ATMEGA 328P, Objective C, CAD/CAM, Manufacturing and Virtual Testing on Fusion 360.

### CBSE SCIENCE EXHIBITION

DECEMBER 2023

CO-LEADER AND ENGINEER

We were the **winners** of the Transport and Communication Category at Regional Level.

The technologies used include ATMEGA 328P, Objective C, CAD/CAM, Manufacturing and Virtual Testing on Fusion 360.

### F1 IN SCHOOLS

2022-2023

TEAM MANAGER, CAR DESIGNER AND MANUFACTURING ENGINEER

We were the **winners** at Regional Level.

We qualified for Nationals where we won **Fastest Reaction Time** Award and were **one of top 14 teams**.

The technologies used include CAD/CAM, Manufacturing, Virtual Testing on Fusion 360, Fluid Simulation and Material Science.

### WORLD ROBOTICS CHAMPIONSHIP

2019 & 2022

LEADER, DEVELOPER AND ENGINEER

We were elected for **international level** in 2022.

We were selected for **international level** in 2019 and were the **world finalist**.

The technologies used include ATMEGA 328P, Objective C, CAD/CAM, Manufacturing and Proportional-integral-derivative controller.

### INTEL ARTIFICIAL INTELLIGENCE

MAY 2022

STUDENT AND DEVELOPER

I was selected by **Intel** to create a Mood Detection Software using OpenCV and Python.

The technologies used include Python and OpenCV.

# OTHER EXPERIENCE

## PROGRAMMING CERTIFICATIONS

Certified with A+ grade in **Scratch, HTML and CSS.**

## CODATHONS

Participated in **Google Code-A-Thon.**

Participated in **Apple's Code-A-Thon Swift Playground Challenge.**

## MISCELLANEOUS

Participated in **Innovation To Elevate** competition hosted by **Government of Uttar Pradesh & NASA.**

Participated in **ALO** hosted by **IIT Delhi.**

Participated in **Reverberations 2019** hosted by **Bal Bharti Public School.**

# OTHER ACHIEVEMENTS

## ACADEMICS

Class X- 96.6% aggregate.

Class IX - 93% aggregate.

Scholar Badge Holder in Grade VIII and IX (Not awarded for online schooling during the pandemic).

## STUDENT COUNCIL

Was given the responsibility of **Vice IT Captain** in grade XI.

Was given the responsibility of **House Captain Nalanda** in grade V.

## NATIONAL YOUTH AWARD

Received **personal recommendation** by **Dr. Ruchi Seth** ma'am (Principal, LVISN) for **National Youth Award** in the form of a Letter of Recommendation as attached.

# SOFT SKILLS

## SAXOPHONE

**Only** Saxophone player in our school.

Selected for **solo** and **lead** in school's band.

## SPORTS

**Bronze Medal** in Gold tournament.

**Certificate of Excellence** in Soccer by Soccer Foundation, India.

8 February, 2024

**TO WHOM IT MAY CONCERN**  
**Recommendation for National Youth Award, 2021-22**

It is with the utmost pleasure and confidence that I compose this letter of recommendation for Neil Arora, a distinguished student whose exemplary talents and accomplishments have significantly enriched our school community.

Neil epitomizes the essence of academic excellence and innovation, showcasing unparalleled proficiency across various technical domains, including robotics, electronics, computer science, artificial intelligence, and machine learning. His academic performance consistently reflects a profound dedication to intellectual rigour and exploration, earning him widespread admiration among his peers and educators, alike.

Neil's achievements extend beyond the confines of our institution. He has demonstrated exceptional prowess on both national and international platforms, participating in numerous robotics and science championships and securing several prestigious accolades. These commendable successes serve as a testament to his ingenuity, problem-solving acumen, and unwavering commitment to excellence.

In addition to his technical aptitude, Neil also possesses a remarkable artistic talent, captivating audiences with his performances on the Sitar and Saxophone during various school events. Furthermore, his passion for Golf is underscored by his notable achievement of clinching a bronze medal in an array of interschool tournaments, showcasing his determination and sportsmanship.

Neil's multifaceted talents, coupled with his dedication and strength of character, render him an exemplary candidate for any programme or opportunity he may pursue. I am confident that he will continue to excel and inspire those around him with his exceptional abilities and unwavering commitment to excellence.

In conclusion, it is my sincere belief that Neil is deserving of the highest commendation and endorsement. I wholeheartedly recommend him for the National Youth Award, 2021-22, fully confident in his capacity to make profound contributions and uphold the highest standards of excellence.
